FAQ

[Wincc Flexible 2008 Crack](#)

The screenshot shows the WinCC Flexible 2008 interface. The main window displays a table of items with columns for Name, Table, and No Sort. A context menu is open over the 'VIEW_OUT <-V_DARX(73:3F) <-V_MOVE(6:6)' item, showing options like 'Печать отчета', 'Смотреть подробности', 'Фигуры подсчета', 'Свойства', 'Создать новые', and 'Отмена'. Below the items table is a 'TAGS' table with columns for Address, Name, and No Sort. The bottom of the interface shows a data table with columns for 'TABL=VIEW_BUTTONS', 'File Offset=J05804', and 'Item Size=96 BYTE'. The interface also includes a 'PICTURES' button, an 'ALARMS' button with a warning icon, and a 'Sargans' button.
